

ON THE MOVE

Hampshire Cultural Trust cares for over 2.5 million objects that tell the stories of people who lived in Hampshire thousands of years ago to the present day. Among these objects is our collection of more than 60 historic vehicles and steam engines, many of which are on display at Milestones in Basingstoke. At our headquarters site in Winchester, the reserve collection is housed in a “shed” the size of a football pitch. We need to know more about this collection so we can share it with visitors to our museums.

What is on the move?

Thanks to a grant from the Esme Fairbairn Collections Fund, we are running a behind the scenes project working with our reserve collection of vehicles to bring their stories to life through investigation and research. With a focus on inviting men living with mental ill health to work with us, this is an opportunity for us to engage with a hidden collection in an exciting and different way.

Who is it for?

Men who want to take control of their mental health and wellbeing, by spending time alongside likeminded men in a unique setting.

How does it work?

Starting on 6th October 2020 we will meet at our headquarters site in Winchester for a 12 week programme where you will have the opportunity to work with our transport collection and archive. You'll be trained in working with historic artefacts and documents, how to care for them, and assist us in preparing the collection for display both physical and online.

What's the cost?

Nothing. It doesn't cost anything to take part, just your time.

ON THE MOVE

Do I need any qualifications?

You don't need any previous experience or qualifications at all. Just an interest in finding out more about this amazing collection of historic vehicles and to be part of making it more accessible.

What's in it for me?

An opportunity to meet likeminded people and be distracted from everyday life by focussing on the stories brought to life by the vehicles. Once we're able to get into the store in the autumn, you'll have the chance to be trained in working with museum archives and objects, and how to care for them. You'll meet new people and work alongside museum conservators, curators and volunteers. And you'll get a hands on opportunity to make a difference in how Hampshire Cultural Trust makes its collections accessible.

How do I sign up?

If you're interested in taking part you can sign up through this link: <https://hampshireculturaltrust.typeform.com/to/klxB0Y>

What if I have more questions?

You can get in touch with project officer Alex by calling 07935 758854 or emailing onthemove@hampshireculturaltrust.org.uk

We look forward to welcoming you to the project soon!
