

Volunteer Drivers Required

Do you have a little time to spare?

Unity are seeking volunteer drivers for our varied community transport services across Test Valley.

Our drivers are special.

They help us to provide occasional and regular services for groups and isolated people living in rural areas.

We can be flexible to your availability so why not contact us for more information?

Relevant training will be provided so if you have a clean, full driving licence and want to provide a vital link in the community, please call **0330 400 4116** or email **volunteers@unityonline.org.uk**

TRANSPORT

Unity Transport

Unity Transport provides services across Test Valley for people who are isolated or for voluntary groups to help them participate in their community.

Without the enormous contribution from our Volunteer Drivers, most of these services would not exist.

Have you considered offering your time as a driver? These are rewarding roles which provide a lifeline to many people.

Contact us for further information:
